Adair County SB40 Developmental Disability Board

Mission: To assist in providing essential resources to individuals with developmental disabilities.

Vision: See people's ABILITIES and change the world so that everyone can live their best life.

What We Value:

- The independence, choice and self-esteem of individuals with developmental disabilities.
- The input of parents and guardians in planning supports and services.
- The importance of community in the lives of persons with developmental disabilities and the importance of persons with developmental disabilities in the life of the community.
- The individualized services and supports to meet each person's needs, choices, and strengths.
